

Interstuhl Participates at the Stockholm Furniture Fair 2014 This year, interstuhl was present at the Stockholm Furniture Fair 2014 with its own booth. This was an important step to strengthen the brand interstuhl in the Scandinavian market. Besides the Scandinavian bestsellers, new communication products, which give an answer to the changing requirements in the world of work, were presented. The elegant conference line VINTAGEis5, the practical folding table NESTYis3 and the aesthetic bar stool family KINETICis5 received great feedback from the visitors.

The show displayed high design quality and new trends which meet high international standards. It welcomed more than 35000 visitors within 5 exhibition days. 730 exhibitors from 31 countries presented stylish furniture and lights for home and office environments.
