

On May 25th our dealer Bernadí presented in their showroom the exhibition "VINTAGEis5 Engineered for Excellence by Interstuhl". The event, enlivened with a cocktail, was a great success that was attended by the main architects and purchasing managers of the sector. In addition, it was attended by Volker Eysing, designer of the chair model VINTAGEis5, that made a magnificent presentation of the innovative qualities of this product. The exhibition "VINTAGEis5 Engineered for Excellence by Interstuhl" which began on May 16 will be present until June 16.
