Every organisation has its own style of working and, as a result, very unique requirements for seating. That is why the SHUFFLEis1 universal chair system offers over 1000 possible combinations for visitor, bar and lounge areas. A large selection of high-quality fabrics and colours make for even more variations. SHUFFLEis1 gives you the freedom to live out your own personality.

## **NEWEVERY<sup>IS1</sup>**

Flexible and modular – simply a coherent concept. The NEW EVERYis1 integrates perfectly into modern workplaces and offers space for individual design. The swivel chair is primarily at home in the Interstuhl Splaces "Work" – and cuts as striking a figure in traditional work environments as in open office spaces.
