

ACADEMY CONDITIONS OF PARTICIPATION

APPLICATION:

Please use the online platform on our homepage for your application (www.interstuhl.com/academy). You will then receive our confirmation for the seminar and hotel, with details of the seminar and directions on how to reach us.

WHAT WE OFFER:

The seminar basically includes the fee for the speakers, all materials, cost of accommodation for the days of the seminar and all meals. When a seminar lasts several days, we will organise evening programs for the whole group.

YOUR INVESTMENT:

The participants should organise their travel independently. We can arrange pick-up from the airport or train station in Stuttgart or Zürich.

CANCELLATION:

If you are unable to take part in a seminar, you may name a substitute participant. You can cancel your firmly booked place on a seminar up to two weeks before the seminar starts. If you cancel later, we will do our best to find someone to take your place, but in the event that we are unable to find a replacement at short notice, we will have to charge you the costs incurred.

If we have an insufficient number of participants, Interstuhl reserves the right to cancel the seminar.

DATA PROTECTION:

In the course of the application, personal data will be collected. These data will only be forwarded to third parties upon agreement, e.g. trainers. The participant declares his consent to photographic images of his person being used for publication online and in printed media for promotional purposes.

Further information about the Interstuhl data policy can be found on our homepage www.interstuhl.com.
